

WESTMINSTER PRESBYTERIAN CHURCH - MINNEAPOLIS MINN.

So glad you could
to Williamsburg again
I hope it wasn't
raining & that your
guide was a less
hurried one. I
know I would enjoy
it more at a time
when I was not
carrying concern for
Lydia & the baby with
me. A second visit has
an advantage too - over
day there wasn't long enough.
Love, Florence.
